3. Hazards identification

To man: Irritation in case of hard contact with oral tissues
To environment: No anticipated hazard to environment

4. First aid measures

After inhalation: no need for first aid is anticipated
After contact with skin: no need for first aid is anticipated
After contact with tissue contact: no need for first aid is anticipated
After contact with eyes: get medical attention
After ingestion: consult with a physician.
Other recommendations: none
5. Fire fighting measures

Suitable extinguishing media: Water spray

Unsuitable extinguishing media for safety reasons: none

Special exposure hazards: none

Special protective equipment for fire fighting: none

6. Accidental release measures

Precautionary measures related to people: not applicable

Environmental protective measures: not required

Methods for cleaning up: sweep

7. Handling and storage

Handling: -

Storage: in well closed original container, at room temperature

Further information about storage: not required

8. Exposure controls / Personal protection

Precautionary measures to be taken during use: usual in dental practice

Respiratory protection: not required

Hand protection: not required

Eye protection: not required

Skin protection: not required

Soft oral tissue protection: not required

9. Physical and chemical properties

Appearance: solid (wedge)

Odour: odourless

Colour: plain, pink, blue, green, yellow, orange, white

pH: not applicable

Flammability: yes

Solubility: not applicable

Insolubility: not applicable

Density: not applicable

Melting point: not applicable

Boiling point: - not applicable

Other data: Five lengths 11mm pink, 12mm blue/orange, 13mm green, 15mm yellow, 17mm white
10. Stability and reactivity

Stability: stable
Conditions to avoid: humidity, all sources of ignition
Material to avoid: none
Hazardous decomposition products: none

11. Toxicological information

Not reported

12. Ecological information

Not determined
N.B. Information relevant to the environment is provided, in case of need, in other section of the data sheet.

13. Disposal consideration

Dustbin
N.B. Respect any national or regional provisions which may be in force.

14. Transport information

Land ADR/RID: No hazardous material
Sea: INO/IMDG: No hazardous material
Air transport ICAO-II/IATA-DGR: No hazardous material
UN regulation: - /
Customs Harmonized Tariff No. 9018.4900

15. Regulatory information

Mark as ECC-guideline
Not necessary to mark
National regulations
Classification as VFB
Not subordinated

R sets: none
S sets: none
